5. Read the text about Tom's busy day.

Circle the correct answer.

Tom's busy day

Tom is a student at university in London. He studies History there. It is his first year of school but he is a bad student.

Every day he is very, very busy. He gets up at 7.30, he runs to his bathroom and he brushes his teeth. He doesn't have time for a shower. Then he has only green tea for breakfast. At 8.00 he goes to school by bus. He gets to school at 8.25. He starts school at 8.30. He is sometimes late for school. He never has lunch at school because he doesn't have time. Tom usually comes home at about 4 o'clock in the afternoon. At 4.30 he has dinner. He really likes pasta for dinner. After dinner he sometimes watches TV, plays the guitar but he usually goes out with his friends. He comes home at 2.00 or 3.00 at night and he goes to bed because he is very tired at this time. Tom never does his homework. He hates it and of course, he doesn't have time for it. Isn't his life busy? 😊
