Last night I stayed up to watch a TV program about African animals. After the program finished, I went to my room and fell asleep. Then, I had a really strange dream. I dreamed that I was standing by a busy road when a bus stopped and the door opened. When I got on the bus, I saw that the driver was a monkey and all the passengers were elephants, zebras, and giraffes. I sat down next to a tall, yellow giraffe, and he looked down at me and smiled. After that, I looked out of a window and I saw we were flying high above the ground, and I could see my house far away. "Did you finish your homework?" a big, friendly-looking elephant asked me. "Oh, no!" I said. "My homework! I forgot to finish my homework!" That's when I saw that the bus was a big, yellow, school bus and we were flying to school. Finally, I heard a sound... my mobile phone was ringing! I answered it. It was my English teacher! "Wake up, and finish your homework," my teacher said. Then I woke up because my alarm clock was ringing. It was only 7 a.m., so I jumped up and quickly finished my homework before I went to school.
