## HEALTHY HABITS

**ROBERT, 41 years old**

The most important thing to stay healthy is to eat well. I believe it is important to eat a balanced diet that includes a lot of fresh fruit and vegetables. I also choose organic products when possible. I eat a salad every day for lunch and I often include a type of protein such as fish or chicken. I try to avoid sugar except on special occasions.

**NORA, 27 years old**

I believe it is important to be as active as possible. I get up at five o'clock every day and I go for a long walk in a nearby park. If it is sunny I ride my bike to work. During my lunch break I go to the gym with my friends from work. On Saturdays I like to swim and on Sundays I run with my neighbour. My boyfriend and I also like to play tennis together in summer and to ski in winter.

**CLARA, 64 years old**

At my age I realize that good health comes from mental health. Therefore, I start every day with an hour of meditation. I also enjoy spending my time painting alone. At the weekends I meet with my good friends and we play cards, laugh and tell stories. Finally, I think it is important to spend time in nature so I often go to a local park with my dog.
